Dr. Raj Subbu has been appointed as DisputeSoft's President and Managing Member effective April 16, 2021. In this new role, he will work closely with DisputeSoft's world-class team and clients, and advised by DisputeSoft's Founder, Jeff Parmet, who will serve as Founder & Chief Advisor. Dr. Subbu has decades of experience in computer methods and systems innovation and consulting, possesses a Ph.D. in Computer and Systems Engineering from Rensselaer Polytechnic Institute, has published more than 70 academic papers, and holds 28 United States patents. He spent nearly 20 years at General Electric Research and Pratt & Whitney in progressive roles in analytics technology innovation, and in business performance and processes innovation leveraging computer technologies. He also has years of experience working successfully with legal teams on intellectual property protection strategies.

EDUCATION

Ph. D., Computer and Systems Engineering, Rensselaer Polytechnic Institute
